PREFACE

HOLY BIBLE NEW TESTAMENT CROSS REFERENCES is compiled for the Bible lovers to have an understanding of the Bible verse related to each other.For ages different generations of scholars study the Bible and interpreted .Still the word of God is unique and have no end for interpretation.

God can reveal him self through this verse to comfort us and console us.
From my young age, I find it difficult to locate the reference verse from the Bible with out referring Reference Bibles.

All the reference Bibles have different reference verse.To have a better references it is to carry more Reference Bibles which is difficult at times during travel.As on today the availability of on line Bible references is useful but they need a medium of access .
